Serv

good question perhaps majority of the voters are illuminati so either way it inevitably happened LOL Tongue

No it wasn't 50% because first of all there were more candidates when I made the prediction and secondly most people thought Hillary was going to win.

I think you know what my answer to that question is.

Please accept my apologies. You are correct. I don't really follow these national horse, or, what is probably more symbolically accurate, asselephant races all that closely, but I thought (wrongly) that it was 50% because, at the time of your initial posting, the Democratic contenders were predominantly Obama and Clinton (Edwards and others were far behind). But you are right, upon review I see that McCain had only just pulled ahead of Romney and he was not, at that point, the guaranteed Republican nominee. So, all the way around, yours was a good call.

Just out of curiosity (and this is only meant in good fun, I'm not intending to mock), do you have any indication yet of which horse the Illuminati has designated as the winner in the upcoming Kentucky Derby? Based upon your suggestion, and even if it isn't recommended from an Islamic point of view, I might put a few bucks down.

SK: ♦... and secondly most people thought Hillary was going to win.♦

I did. I thought so. If you would have asked me at the time, I would have predicted that Hillary would probably win, though there was, I agree with you in this regard, much talk in the mainstream press of the ♦anointing,♦ which is usually reserved for messiahs and regents, of Ms. Clinton's primary and indisputably charismatic rival.

By the way, I finally had a chance to watch one of your films (linked above) and might offer a suggestion, or criticism. If one wants an improved understanding of why it is that American Jews do sometimes feel allied with African-Americans and other racial minorities, search on Louis Beam and Morris Dees. To Beam, or at least to some of the less articulate and even more potentially trigger-happy people with whom he is aligned on the far right (which people are often feeding at the same ideational troughs as Tex Mars, by the way), it makes little difference whether it is a liberal Jewish lawyer and therefore spawn of Satan in his sights or a sub-species black man (or woman). They are all the enemy; as are, too, Vietnamese fishermen in Corpus Christi.

I might have more to say on this subject, but, for now, I have to sign off. Sorry, again, for my mistake on the percentage. Calculating like that, it is no wonder that I cannot make a buck at the tracks!

(Note to Angel: hmm, it makes one wonder, doesn't it? Standby, here's a little smiley face - Smile.)

Democracy sucks when the ignorant majority disagrees with me!

Sawtul, as a slavish follower of yours here on Islamicity, I watched your latest effort, in the hope of gleaning something usefull about Obama and his Illuminati connections.

What I saw was merely an anti-Jewish propaganda movie, using images of politicians shaking hands and smiling for the cameras as proof of duplicitous/secret agreements, and the usual Israel endorsements from the politicians du jour. There was nothing about Obama and the Illuminati, unless it was in the poor quality voice over of yours

It's not that I disagree with you, its just that as an 'exposure' goes, this just didn't cut it. If we are to 'expose' (there's little in world politics today so easily verifiable) the degree to which Zionists influence and control governments the world over, then we have to explain clearly the difference between the Jew, the Israeli, and the Zionist. They are NOT one and the same thing. Just as the Saudi, the Jihadi and the Sufi are not.

Unlike the U.S presidential candidates today, who are fundamentally no different from one another.

You'll enjoy this link; www.bilderberg.org (hope it works!)

This is just part 1 of the video, the rest of the video will have more evidence.

By the way I actually changed the title of the video, you are right I shouldnt have written "Illuminati" since nothing in the video has anything to do with Illuminati, that stuff is on part 2 which I havent uploaded yet.

I'm thinking I probably should make this into 2 different videos, one just about Obama being Illuminati and the other just about him being a Zionist.

thanks 4 the link I'll check it out.
